

Anuwat Thongkham

UX/UI Designer and Frontend Developer

Say “Hi”

Hi, I'm interested in UX/UI designing and Frontend development. I like to pay attention to detail and look at issues from the big picture first. Even though I don't have a lot of project work but I'm so passionate about UX/UI designing and developing websites.

Personal Information

Nickname : Kai (ไค)

Birth : 26 January 2002

Education

Khon Kaen University
